The Lismore Diocesan Primary Sports Council's vision is to provide opportunities for all Lismore Primary School students and teachers to participate in sporting activities that will enable them to reach their full potential, and to experience success and enjoyment.

Our commitment to this involves:

- A wide range of activities being offered.
- Opportunities for all students at all levels to use their God-given talents.
- Equal opportunity for both males and females.
- A range of levels to meet the needs and interest of those with special requirements.
- Opportunities for students with disabilities.
- Promotion of the ideals of sport.
- Conduct of a Diocesan sports program that provides access for students for further representation.

For our students

We believe students should have experiences/opportunities to display and use their talents to their full extent. Students are encouraged and supported to continue to develop positive lifelong attitudes to participation, competition and healthy living.

For our teachers

We believe teachers should be given opportunities to:

- acquire and develop skills associated with the conduct of sporting fixtures and physical activities;
- manage, administer and/or coach sporting teams.

We do this by ensuring access to managerial and administrative sport positions and by providing communication and support.
