

DIOCESAN NETBALL CHAMPIONSHIPS – PORT MACQUARIE 2015

On Thursday, 27th August Port Macquarie hosted the Lismore Diocesan Netball Championships for the second consecutive year. Thankfully the weather was kind to us this year with the conditions allowing the girls to throw everything they had into each game.

The three divisions consisted of two pools with five schools represented in each. The four round games were fiercely contested by all schools with the girls displaying outstanding skill and athleticism.

In the senior division Trinity Lismore, Banora Point, St Joseph's Regional and Woodlawn progressed to the semi-final. In a local derby Trinity eventually defeated Woodlawn 20-10 in the final.

In the intermediate division Casino, Trinity Lismore, Woodlawn and St Joseph's Regional won a place in the semi-final with a nail biting game between Casino and Trinity finishing locked at 22 all at full time. Based on the count back Casino had the better goal differential to progress to the final. Woodlawn ended up winning the final 24-18 against Casino.

Ballina, Trinity Lismore, MacKillop and Mt St Patrick contested the junior semi-finals with MacKillop and Trinity playing off in the final. MacKillop winning the final 23-19.

The players, coaches and umpires are to be commended for their positive attitude. The day ran smoothly with great competition across all three divisions.

Finally, our Diocesan competitions are always played with pride and a great sense of comradery. Thank you to the coaches who coached the girls, your professionalism and enthusiasm during the day was very evident.

I would like to thank the Port Macquarie Netball Association for providing excellent support, the umpires who ran all day and were exceptional. To our First Aid Officer, Doug Piper who were very attentive to the players and most importantly to the Port Macquarie Schools for hosting the event, especially to Noel Stevenson, Maxine Stone, Eliza Grose, Michelle Marino, Ann Palmer and Mick Cannon.

The day was extremely enjoyable.
